Applicant hereby discloses to the Patent Office additional patents, publications or other information of which it is aware, that it believes may be material to the patentability of one or more of the pending claims in this application and in respect of which there may be a duty to disclose in accordance with 37 CFR § 1.56.

The filing of this Supplemental Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information, as defined in 37 CFR § 1.56, exists. CFR § 1.97(g). Further, the items identified in this Information Disclosure Statement may or may not be "material" pursuant to 37 CFR § 1.56, and the submission thereof by Applicant shall not be construed as an admission that any such patent, publication or other information referred to therein is material or considered to be material (37 CFR § 1.97(h)), or even qualifies as "prior art" under 35 U.S.C. § 102 with respect to this invention unless specifically designated by Applicant as such.

Attached is a copy of Form PTO-1449 listing additional patents, publications, and other information known to Applicant that may be material to the patentability of one or more claims of the subject application. Applicant respectfully requests that a copy of the enclosed Form PTO-1449, as considered and initialed by the Examiner, be returned with the next communication conveying a substantive action.

Each item of information contained in this Statement was first cited in a communication from a foreign patent office in a counterpart foreign application less than three months prior to the present filing of this Statement. Form PTO 2038 for the corresponding fee under 37 CFR § 1.17(p) is included herewith; please charge Applicant's attorney's Deposit Account No. 502502 for any further required fees not submitted herewith.

Dated: August 31, 2005

Respectfully submitted,

/ Thomas J. Brindisi /
